Botella de plástico

The image features a variety of jellyfish against a light blue, slightly textured background. In the upper left, there is a small, pale purple jellyfish with long, thin tentacles. Next to it is a smaller, more compact purple jellyfish with a blueish center. To the right, a large, translucent purple jellyfish with long, wavy tentacles hangs vertically. In the upper right, a pinkish-purple jellyfish with a ribbed bell and long, thin tentacles is shown. The center-right is dominated by a large, prominent pinkish-purple jellyfish with a ribbed bell and long, thin tentacles. In the lower left, a large, light blue jellyfish with a wide, flat bell and long, flowing tentacles is visible. In the lower center, a small, pale purple jellyfish with long, thin tentacles is shown. In the lower right, a purple jellyfish with a wide, flat bell and long, thin tentacles is shown. The text 'Platos desechables' is overlaid on a dark grey rectangular background in the center of the image.
